

The Catholic Community of Saint Peter's Church  
is embarking on an exciting new Lenten initiative  
to bring faith to our families in a new way

# MORNING STAR FAMILY HOLY HOUR

Our goal is to devote time for adoration around the Blessed Sacrament and make it accessible to our children. At a time when our busy society recognizes the need for quality time as a family, Morning Star Family Holy Hour will offer a nurturing atmosphere with parental guidance. We hope to develop a sincere faith that will last a lifetime.
